

Prolog On-Campus Program

Thank you for your interest in Meridian Systems products! We are pleased to introduce you to the Prolog On-Campus Program. Our goal is to extend this program to you so that you can experience the same benefits as other nationally recognized universities who already utilized Prolog products in the classroom. Learn more about Meridian Systems at www.meridiansystems.com.

Your students will:

- ✓ Have concepts and methods taught in class reinforced by the structure of Prolog
- ✓ Be ahead of the curve when starting an internship or career
- ✓ Be able to explain to current and future employers how software will increase efficiency

How to Join the Prolog On-Campus Program?

We are pleased to provide you with free on-line access to Prolog Manager software for your use in the classroom. To process your request, please provide us with the following documents:

1. A completed and signed copy of the enclosed form to indicate needs level, number of accounts required, shipping information, etc. (Signed by course instructor/professor)
2. A letter on university letterhead describing how you will utilize Prolog in the classroom
3. A copy of your course syllabus
